Shirts in the Mirror

Have you ever noticed that when you look in a mirror, the right side of your face is on the left, and the left side of your face is on the right?

So what happens if you look in the mirror while wearing a T-shirt that has a letter on it?

If you were wearing this shirt

Here's what you would see in the mirror

Notice that letter **A** looks **the same as itself** in the mirror, but letter **B** looks **different** in the mirror.

Here are the rest of the letters of the alphabet.

C D E F G H I J K L M N
O P Q R S T U V W X Y Z

1. Fill in each of these shirts with a letter that would look **the same as itself** in the mirror. Use a different letter for each shirt.

2. Fill in these shirts with letters that look **different** in the mirror. Also draw what the letters look like in the mirror. Use a different letter for each shirt.
